CC: Lorena at San Pedro BID <lparker@sanpedrobid.com>

Rick/Miranda - sorry to mess with the review schedule but I think Monday morning is looking doubtful for me to take a conference call with you. My Wife's condition is rapidly falling this weekend and we're on 24/7 extra special hospice care of which I'm one of the main parts. Not sure how this week will pan out but after things settle out I'll get back with a makeup time to discuss the SP comments. Again sorry.
